**IGNORE VIOLATIONS
OF RIGHTS BY GREAT
BRITAIN, IS CHARGE****Representative Bennet Will
Ask President to Explain
Attitude.****AMERICAN IN JAIL FOR YEAR****Naturalized Citizen Held by English
as Alien Enemy and State Depart-
ment Makes No Demand for His
Release; Will Ask Congress to Act.**

Special to The Courier.

WASHINGTON, April 21.—An order of evidence in the charges which have been made that President Wilson has been paying too little attention to the violations of American rights by Great Britain, Representative Bennet of New York, Republican, was prepared to introduce in the House today a resolution calling upon the President and the State Department for a report on the case of Samuel Schwartz, an American citizen, who, Mr. Bennet claims, has been detained in an English jail for more than a year without any charge against him, and without any attempt on the part of this government to secure his release, although the man's citizenship had been shown and the facts presented to the State Department.

Representative Bennet said today that he was preparing a resolution which he expected to introduce at once asking for a report in the case. He declared that in such a case the President's duty, under a section of the revised statutes of the United States to which Mr. Bennet referred, was to demand the release of the American citizen, taking every step possible short of war, and if this did not bring the desired result, to lay the facts before Congress. After having been to the State Department yesterday, where he saw Secretary Lansing, Mr. Bennet said he thought it was his duty to lay the matter before Congress, and in a short speech just before the House adjourned yesterday, Mr. Bennet told of the facts in the case.

"This man was of Austrian birth, but a naturalized American citizen," said Mr. Bennet. "He was arrested in Great Britain, convicted of being an unregistered alien enemy, and served the six months for which he was convicted. That expired in March, 1915, and it will surprise the House to find that he has lain in that foreign jail without a charge against him and without any attempt on the part of this government to secure his release. I have seen the secretary of state, and he said such a thing should not be, but nothing is done."

Mr. Bennet then quoted from the volume of the revised statutes of the United States the section which requires the President in such case of an American citizen being unlawfully detained abroad to take prompt steps to secure his release, and if he is unable to bring this about through ordinary channels to report the matter to Congress.

It was true, Mr. Bennet said, that Schwartz was a man without friends to interest themselves in his behalf, that he was without influence or means, but that as an American citizen he was entitled to the full protection of the United States just as any other citizen anywhere in the world should be.

Asked by another member whether he did not think the introduction of a resolution would accomplish the purpose, Mr. Bennet said he was advised by those who were familiar with the State Department had done nothing in the case. Later Mr. Bennet announced his intention of introducing a resolution calling for a report of the case.

FRENCH MAKE GAINS**Take Trenches and Capture German
Officers and Men.**

By Associated Press.

PARIS, April 21.—The French continued to make progress on the region of Verdun front on the Verdun front in the fighting of last night. The war office announcement of this afternoon reports the capture of German trenches and of four officers and 150 men.

East of the Meuse a force of German troops was repulsed in the sector south of Mandremont wood the French made gains.

MARSEILLES, April 21.—The coming of Russian troops to the western front has been talked of for two or three months. The reason as now explained is that it is easier for Russia to arm and supply fighting material to Russian troops on the western front than on the eastern.

Russia still has many hundred thousand more men under training than she can use on her fighting line because the Russian problem continues not how to get men but munitions. The Allies can obviously provide complete equipment for Russians more easily in France than by shipping to Russia. Possibly a quarter of a million men will be sent into France this spring.

Congress is sitting.

WASHINGTON, April 21.—For the taking of the house opposite old Ford's Theatre here in which President Abraham Lincoln died after being shot by John Wilkes Booth, Congress appropriates \$200 yearly.

**UNEASINESS IS RESULT OF
UNCERTAIN MEXICAN POLICY****Vacillating Methods of Administration
Arrouses Alarm for Safety
of Troops.**

By Associated Press.

EL PASO, Tex., April 21.—With the troops marking time awaiting the decision from Washington which will either withdraw them from Mexico or send them forward reinforced on their quest, there has been a decided increase in the nervousness which has existed on the border since the expedition crossed the international line.

Both American and Mexican army officers and officials feel the uncertainty has caused a delicate situation, but there has not been the slightest indication in Juarez that the Mexicans in that town have changed their attitude of restraint.

CONCENTRATING TROOPS.

EL PASO, April 21.—Movements of American troops from points along the border to the army base at Columbus where they will be held in readiness to reinforce General Pershing's army in case of necessity, continued today. Dispatches from the front indicate that American troops were awaiting developments at Washington before making any further effort to take Villa.

Officials of the de facto government said there was no basis for the report that uprisings were imminent in Northern Durango and Lower Chihuahua. It was explained at Juarez that the movement of the Carranza troops into the Parral district was not intended as a threat to bar the further advance of the American forces, but that the de facto soldiers had been sent there to preserve border order and prevent destruction of private property.

SKATING MUST STOP**Children on Roller Skates Become
Too Numerous for Pedestrians.**

On account of complaints made by residents of all sections of the city, children who make a habit of roller skating on the sidewalks are warned by Chief of Police Rottler to stop the practice. The skaters have become so numerous lately that they flock together in bunches, and when they skate shoulder to shoulder there is no chance for the pedestrian.

The police have permitted this skating to go on as long as possible, but it will be necessary to put the children on rollers earlier in the season when the sidewalks are crowded, but now they even invade the downtown streets.

Chief Rottler says that if the skaters do not leave the sidewalk, arrests will follow. The children have been spoken to individually from time to time, but no more verbal warnings will be given. Girls are declared to be the worst offenders. They seem to pay no attention at all when spoken to by the police.

PLANT GRASS ALSO**Pennay Will Not Stop at Trees But
Will Beautify in Every Way.**

Along with the planting of trees on the grounds surrounding the Pennayville railroad property on the West Side, the grass is being improved and more planted, some in places where it did not grow before. Persons accustomed to using the "Y" from Greenwood as a short cut will not be allowed to walk around that way any longer.

After the Pennay has planted the trees and bushes to be distributed on three lots, one of the prettiest sections of the entire division will be on the West Side. The leveling on the large vacant lot facing Main street was finished this morning.

MANY GO FISHING.**Majority of Fishermen Are High
School Students Who Get Day Off.**

Several fishing parties went into the mountains about Indian Creek today for trout fishing. Most of those who left today were high school boys who can stay overnight and fish tomorrow also. There was no school today.

Among those who went up this morning were James Laughrey, Clarence McCormick, William Martney, Dewey Miller, Ripley Langhorne and Louisa Foley. Drs. E. B. Edle and T. H. Edmond went up the Indian Creek valley yesterday.

\$50,000 SUBSCRIBED.**Canvassing Committee Nearing the
Necessary \$50,000.**

Members of the committee canvassing for subscriptions toward the \$50,000 necessary to secure the proposed electric light mill, reported at noon today that they had reached the \$50,000 mark.

It is believed that with only \$10,000 more to raise, it is not possible that Connellsville can lose this industry.

Gets Long Term.

Frank Webb, alias William Johnson, the negro arrested here about two months ago and taken to Metropolis City, Ind., for trial for murder, was convicted and given eight years to jail.

Old Building Razed.

The old brick building that formerly stood on the Veech property on the West Side has been completely razed.

Smallpox in Two Counties.

Smallpox has broken out in Somerset and Cambria counties. Fifteen cases have been discovered in the former and three in the latter.

**TRUSTEES APPROVE
BIG IMPROVEMENTS
AT THE HOSPITAL****New Operating, Receiving
and Laboratory Rooms
to be Provided.****TO GET MUCH NEW EQUIPMENT****Room for Pus Patients, New X-Ray
Room, Receiving Room and Path-
ological Laboratory Provided For;
Doors of Institution Will be Widened**

Improvements costing several thousand dollars were authorized at a meeting of the board of trustees yesterday afternoon. Specifications are now being written so that bids may be asked at an early date.

The porch of the institution is to be enclosed at several places so as to provide a new operating room for infectious or pus cases, a new receiving room for patients, a new room for a pathological laboratory and a new X-ray room.

Much additional equipment will be added so as to bring the institution up to certain new state requirements. Changes of a similar nature had been contemplated by the trustees, but they could not see where the money to pay for them was to come from. Even now the money is not in sight as the state appropriation made no allowance for such extensive improvements.

All of the doors in the hospital will be widened so that beds can be lifted onto trucks and taken from one room to another without requiring the patients to get up.

A new room will necessitate no additions to the building as the wide porch will merely be enclosed at several places.

Action in the matter was expedited by the inspection of Dr. Ivan Metzger, a representative of the State Bureau of Medical Education lately.

FOUND—SET OF TEETH.**Night Watchman Holds Perfectly
Good Molar for Chalmers.**

FOUND—ONE PERFECTLY GOOD, slightly used set of false teeth, good looking, in good repair and capable of embellishing any mouth not provided with chewing equipment.

Night Watchman William Hinson found them and as he has no use for them he will surrender them to anyone who can prove they are his.

As stated above, the teeth are in good condition and have apparently been employed in a mouth of refinement and discernment in the selection of foods. There is nothing about them to indicate what the owner had for his last meal.

Easter Services in the Churches

Easter, commemorating the resurrection of Christ, will be fittingly observed Sunday by all the churches. At several reception of new members will be held and communion administered by the pastors. Special programs of Easter music will be rendered by the church choirs and children of the Sunday school, and the pastors will deliver appropriate sermons. Easter hymns, verses and other Easter blossoms will adorn the altars and pulpits. Easter is one of the most important events of the church calendar, especially among the children, and the services this year promise to be more beautiful and impressive than ever before.

Easter morning Bishop James W. Basford of Peeking, China, who is attending the semi-annual conference of the board of bishops of the Methodist Episcopal Church in session at Dawson, will occupy the pulpit of the First Methodist Episcopal Church and for this reason the usual Easter services in charge of the Sunday school will be dispensed with. The church choir will render special selections. Family day will be observed at the morning service and Rev. G. L. C. Richardson, the pastor, will give ten sermons bound books to the ten largest families represented. Families are expected to sit together. A nursery will be opened in the Sunday school room so mothers who desire to attend the services may do so. Miss Elizabeth Williams is chairman of the nursery committee.

Easter will be celebrated in Trinity Lutheran Church in the usual manner. The confirmation class will meet for final instruction at 9 A. M. The Bible school will meet at 10 A. M. Easter souvenir folders will be given to all members of the beginners, primary and junior grades. Luther League will meet at 7 P. M. The chief service will be held at 11 A. M. when the young people who have taken the eight months' course of training prescribed by the church will be publicly confirmed. New members will be received into the church and the sacraments of baptism and the Lord's Supper will be administered.

At 7:30 P. M. the cantata, "From Death to Life," will be rendered under the direction of R. O. Claiborn with Miss Pearl Keck as organist. The following persons compose the choir and orchestra:

Scored Overture.....Schlegelroll
Orchestra.....
Prayer.....Rev. E. B. Burgess

**COUNTY WON'T HELP PAY FOR
SEWER ALONG ISABELLA ROAD****It Has Been Laid by Contractor O'Connor
and City Must Collect From
Property Owners.**

Connellman John Duggan discovered another terrible blunder made by the previous council—of which he was a member—at a meeting of city council last night. In making an inspection of Isabella road along with County Engineer Wilbur Dunn, it was found that a sanitary sewer had been laid along the length of Isabella road, inasmuch as the county agreed to pay a share of the paving cost alone, Mr. Dunn ventured the opinion that it would not share in the expense of this sewer. The sewer has been built and paid for as part of Contractor Bernard O'Connor's early estimates. Now Mr. Duggan wants to know who is going to reimburse the city for building a sewer in the township.

Mr. Duggan intimated several times that the old council ought to be "served" by Mr. Higbee, however, advised that the township residents who will connect with the sewer should be assessed enough to pay for it, or else cut it off from connection with the city sewer system. Reference to the books showed that the sewer cost about \$312. The contracts and resolution for the paving of Isabella road all included "sewering" as part of the work.

Mr. Duggan also condemned the kind of bricks furnished by the Solson Brick Company on Isabella and Willis roads, and declared that no more would be laid. He said he could buy a lot of first class bricks at the same price if the Solson company will not furnish standard bricks. During the meeting Mr. Duggan and representatives of the Solson company had a conference in the anteroom of council chamber.

**MAY USE FIREMEN'S RELIEF
FUND TO BUY COMPENSATION****Council Outlines Plan to Give Volun-
teers Greater Indemnity Against
Injury.**

A plan outlined in The Courier early in the year—that of using the firemen's relief fund to pay the premium on a compensation insurance policy—is now being investigated by Solicitor E. C. Higbee, at the direction of council. Mr. Higbee has ventured a verbal opinion that there is nothing in the law to prohibit such use of the relief money. Each year the volunteer fire department receives from the state a percentage of the state tax on outside insurance companies doing business within the commonwealth. In 1914 this amounted to \$685.52. It is deposited in a fund for the relief of volunteer firemen injured in fighting fires. Little is drawn out each year. The council proposes to use a portion of this yearly fund to pay the premium on compensation insurance policies covering the volunteers. For about \$160 a year, 29 members of the fire department can be protected to the extent of from \$30 to \$35 a month and \$200 to \$500 in case of death.

**BISHOPS DO NOT
EXPECT TO LIFT
BAN ON PLEASURE****Indications are That General
Conference Will Not
Modify Discipline.****WILL COME UP NEXT WINTER****Keen Interest is Manifest in Proposal
for the Consolidation of Methodist
Church With That of the Southern
Organization; Memorial Service.**

The worldly diversions of card playing, theatre-going and dancing are being considered by the bishops of the Methodist Episcopal Church, who opened their semi-annual conference yesterday at Linden Hall, the home of Mrs. Sarah B. Cochran. While the chief subject being discussed by the bishops is the proposed consolidation of the Methodist Episcopal Church and the Methodist Church South, more than passing interest is being taken in the rule in the church discipline which forbids card playing, theatre-going and dancing.

"It is very unlikely that any change will be made in this rule," said one bishop today. "You know that it is hard to get laws once on the books repealed. It is something like the blue laws in some states. Perhaps here in Pennsylvania, if the law was observed, persons would be unlikely to have milk delivered on Sunday. The blue laws were enacted when everyone had cows. The law may have been all right then. Very few of us have cows now and we must have our milk Sunday mornings."

"In a way, the rule of the Methodist discipline prohibiting worldly amusements may be obsolete, but there is no doubt that a majority of the members of the church want it continued. In some sections there is a strong feeling against dancing; in other parts the people will not tolerate card playing by members of our church."

"Once knew two old women, Methodists, who lived alone together. In the evenings they would read, then perhaps play checkers and dominoes. Each year the volunteer fire department receives from the state a percentage of the state tax on outside insurance companies doing business within the commonwealth. In 1914 this amounted to \$685.52. It is deposited in a fund for the relief of volunteer firemen injured in fighting fires. Little is drawn out each year. The council proposes to use a portion of this yearly fund to pay the premium on compensation insurance policies covering the volunteers. For about \$160 a year, 29 members of the fire department can be protected to the extent of from \$30 to \$35 a month and \$200 to \$500 in case of death."

"Perhaps in some places the rule against dancing seems to work a hardship upon the young people. Many high schools hold dances at the commencement time, and the Methodist children see no harm in attending them. However, there are many dances as vile as in years gone by."

As far as the movies are concerned, the bishops do not seem to oppose them and one of the church leaders expressed himself as favoring motion pictures as a legitimate form of amusement for Methodists. He said, however, that there are many plays on the legitimate stage which good Methodists cannot conscientiously attend. He placed the taboo on sex plays and performances in which women appear in abbreviated costumes.

While the matter of worldly diversions are being discussed by the bishops, and very likely will be referred to in the message to the General Conference, which meets May 1 at Saratoga Springs, N. Y., it is considered here that there will be no steps taken to remove the rule to which many Methodists are now opposed.

Bishop Joseph P. Berry, who was here last Monday but did not remain until the other bishops began arriving, returned to Linden Hall this morning. Bishop Luther B. Wilson of New York, whose illness prevented him from arriving in time to preach in the Dawson church last evening, was Bishop Lettis of Atlanta.

A brief memorial service was held this morning in honor of the bishops who have died since the last general conference four years ago. They were: Bishops Robert McIntyre, Charles W. Smith, David H. Moore, John M. Walden, Henry M. Warren and Nathaniel Luccock.

Henry J. Hoise of Pittsburgh arrived at noon for luncheon with the bishops.

ARRESTED FOR LARCENY**Trotter Man Has Roommate Arrested
For Theft of \$85.**

Charles Kropka will be given a hearing before Alderman Eugene O'Donovan of the West Side this evening on a charge of larceny. Thomas Gassanovich, a roommate of the defendant, brings the charge, alleging that Kropka stole \$85 from him yesterday.

The men roomed together at Trotter and Gassanovich had the money in his trunk. He always carried the key in his vest pocket, but yesterday morning when he went to work he left both vest and key in his room, where Kropka was still sleeping. In the evening when he returned home the money was gone. Kropka denies that he took it.

Is Drowned in a Tub.

Steve Medwith, two years old, son of Mr. and Mrs. John Medwith of Continental No. 1, fell into a tub of water yesterday afternoon at his home and was drowned.

Two Given Hearings.

There were only two hearings given at police court this morning, both drinks getting 24 hours each.

**PERMANENT WELFARE SOCIETY
FORMED BY FRICK EMPLOYEES****Officers Elected and Committees Chosen
to Complete the Details of
the Organization.**

Acting promptly upon the suggestion made at the banquet tendered by Superintendent Benton Boyd to the employees of the Trotter plant of the H. C. Frick Coke Company earlier in the month, 55 representatives of 13 plants of the company met at the Hotel Arlington last evening to consider the matter of effecting a permanent organization of a safety and welfare brotherhood.

Officers were chosen as follows: President, John E. Struble; vice president, Patrick Kane; secretary, Robert Morton; treasurer, Lyell Buttermore. Committees on constitution and by-laws and membership were appointed with instructions to submit reports at the next meeting to be held in the amusement hall at Leisenring No. 1, on Thursday evening, May 4.

The name of the organization was not decided upon although the suggestion to call it the Frick Welfare Brotherhood of the Second Division was favorably received. Its organization and purposes are along the same general lines as the Frick Welfare Brotherhood recently organized among the plants in the vicinity of Mount Pleasant.

The organization is designed to promote the welfare and safety instruction and work among the employees of the company and to afford means of social intercourse and get-together meetings on all matters pertaining to their employment.

Speeches were made by Mine Inspector J. E. Struble, Superintendent R. C. Beerbower, Coke Inspector P. J. Tormay, Superintendent C. B. Franks, J. H. Pettigrew, T. L. Doorley and W. J. Cullen.

The president appointed a membership committee consisting of W. J. Cullen, T. L. Doorley, Max Reidman, W. B. Sullivan, and Peter Duffy. All present were urged to aid the committee in the securing of members, as it is desired to enroll as many of the employees as possible.

A program committee for the first meeting was appointed, consisting of R. C. Beerbower, C. B. Franks, and J. A. Burns. This committee plans to have musical and social program at the first meeting, which it was decided to hold Thursday, May 4, in the amusement hall at Leisenring No. 1.

Any and all employees of the H. C. Frick Coke Company, Union Supply Company, and Water Company are eligible to membership, and it is requested that any desiring membership give their names to some of the membership committee or to the secretary, and attend the first meeting at Leisenring.

**SCHOOL BOARD STILL AFTER
LOWER PRICES FOR A SITE****Directors Determined That They Will
Not Pay Fancy Prices****Asked.**

That the School Board will pay no exorbitant price for a site for the new high school building, is the sentiment of the directors after a serious discussion of the various sites and prices. The directors are determined to get the best value for the money, and are not willing to pay more than \$15,000 for a site.

A resident of the North End today advised a director to select the DuShane property on Witter avenue and Meadow lane. This, he said, could be bought for \$15,000. It is sufficient ground for the proposed building and is good-sized campus. Its location is not too far from the center of the city, this resident contended.

The Colonial Inn property on South Pittsburgh street, once optioned by the Methodists for a new church site, could be had for \$25,000. It is said, but investigation has proved that its dimensions are not adaptable to those of the new building.

The square between Church place and Main street, above Prospect street would cost about \$40,000, a director estimates, and this is out of the question.

If the school board decides not to try and locate the building at a central point, or is unable to get a central site at a reasonable figure, the East Park site may get serious consideration again. It is said that the splendid plot near the end of the bridge could be purchased for \$50,000 and the Hogg heirs would pay for the paving.

FIRE DESTROYS STABLE**Barn and Quantity of Feed Consumed
at Juniata Plant of Frick Company**

Fire supposed to have originated from spontaneous combustion completely destroyed the large stable at the Juniata plant of the H. C. Frick Coke Company late yesterday afternoon. About 14 tons of hay and 400 bushels of oats were destroyed but all of the stock was gotten out. The loss is estimated at \$25,000.

The stable was a large frame structure erected about two years ago. John Congenough, stable boss at the plant, was feeding when he heard a slight explosion and saw flames about out from a point near a large oil bin. The fire seemed to originate in the hay mow. It spread quickly and the efforts of practically all employees of the plant to save it proved futile.

Is Critically Ill.

Thomas Bessie of the West Side, who suffered two strokes of paralysis, is in an unconscious condition and he is gradually growing weaker. Mr. Bessie is a veteran of the Civil War.

**GARBAGE WILL BE
COLLECTED BY THE
HIGHEST BIDDER****Tentative Ordinance Di-
vides the City Into Five
Districts.****NO COMPULSORY PROVISIONS****Rates Outlined for Residences Range
From 50 Cents to \$1 a Month;
Many Changes Likely to be Made
Before the Measure is Passed.**

Division of the city into five districts and the awarding of the contract for the collection of garbage to the highest bidder or bidders are outstanding features of the ordinance introduced by council last night to regulate the operation of the Connellsville Garbage Company's plant, recently purchased by the city. The measure is incomplete and will be generously amended before it passes finally. As it stands it represents the ideas of the councilmen as outlined at many conferences since the plant was purchased.

The ordinance as introduced fixes a schedule of prices, which councilmen said, was sure to be changed. The maximum charge for removing family garbage is \$1 a month and the minimum 50 cents. No rate is fixed for hotels and restaurants. The charges for removing and incinerating carcasses are: horse, \$5; cow, \$5; dog, 50 cents; cat, 25 cents; burning one-horse load of garbage, 50 cents; two-horse load, \$1; one-horse load of paper, 25 cents; two-horse load of paper, 50 cents.

Council is to advertise for three sets of bids; for the removal of garbage alone; for the collection of garbage in bulk, and operation of the furnace; and for the operation of the furnace alone. Councilman Pryce advocated that an effort be made to award the collection of all garbage and the operation of the furnace to one person or company. If no such bid is received, the city will operate the furnace and let the contract for collection to the highest bidder. Solicitor Higbee inclined to the belief that council would have to pay someone to operate the furnace, rather than expect anyone to pay for the privilege. All by-products of the plant go to the one who operates it.

The ordinance does not make the collection of garbage compulsory and there is no reason to believe that more families will take the service under the city's management than do now, under the private ownership. If the contract for collection and operation of the plant is not let, then the city will operate the furnace. Revenue received from the collectors will be used to pay expenses of the plant.

Garbage as defined in the ordinance is all refuse except glass, crockery and tin cans. Separate receptacles must be provided for garbage and for glass, tin cans, etc. The collectors will now be both the service under the city's management than do now, under the private ownership. If the contract for collection and operation of the plant is not let, then the city will operate the furnace. Revenue received from the collectors will be used to pay expenses of the plant.

Contracts for the removal of garbage, for the operation of the furnace, or for both will be for one year beginning June 1, 1918, and each person, firm or corporation securing such privileges must give bond in the sum of \$500.

Provision is made for the free removal of garbage for a reasonable time from homes of families unable to pay for the service, through sickness or other cause.

For violation of any of the provisions of the ordinance, a fine not exceeding \$100, imprisonment of not more than 30 days, may be imposed.

The collection districts are defined as follows:

First—Beginning at the city line and Snyder street, thence along Snyder street to Main, along Main to Pittsburgh, south on Pittsburgh to the city line and thence along the city line to Snyder street.

Second—Beginning at Snyder street and the city line, along city line to Francis avenue and Pittsburgh street, thence along Pittsburgh street to Main, along Main to Snyder and thence to place of beginning.

Third—Beginning at the corner of Peach and Pittsburgh streets, thence along Pittsburgh street to the city line, along city line to the river, and then north to Peach street, the place of beginning.

Fourth—Beginning at corner of Peach street and the river, thence along the river north of the city line, thence along city line crossing Pittsburgh street to Francis avenue; thence along Francis avenue to Pittsburgh street; thence along Pittsburgh street to Peach street; thence along Peach street to the Young river.

Fifth—All of the city west of the river.

Attend Alumni Banquet.

R. V. Rex of Connellsville; A. F. Strauss; J. H. Barnhart and Leo W. Skemp of Scottsdale, attended a meeting of the Alumni of Penn State College held last evening at the New Zimmerman House in Greensburg. A permanent organization for Westmoreland county was formed.

A THREE PIECE SUIT.

A Smart Outfit For the Modern Girl This Late Winter.

Quite the fascinating look that connects the hat, coat and frock is the clever introduction of elaborate tassel brooches. The blue panne velvet is used to fashion the coat and make the hat's foundation and the base of the gown. The fur is black fox.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

If Fevish, Feverish and Sick Give "California Syrup of Figs"

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign the little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's use; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels, passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."—Adv.

PRICE OF SLAVE REDUCED.

Barber's Union at Cumberland Dis-

organized; Price Comes Down. Cumberland has gone back to the ten cent slave, beginning May 1. Disunion over rates in the barber's union has resulted in the breaking up of the organization and after the last of April, with the expiration of all agreements between the barbers of that city, the price will drop. Each

WOMAN GIVEN TWO DAYS

To Make Up Her Mind for Surgical Operation. She Refused; Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"One year ago I was very sick and I suffered with pains in my side and back until I nearly went crazy. I went to different doctors and they all said I had female trouble and would not get any relief until I would be operated on. I had suffered for four years before this time, but I kept getting worse the more medicine I took. Every month since I was a young girl I had suffered with cramps in my sides at periods and was never regular. I saw your advertisement in the newspaper and the picture of a woman who had been saved from an operation and this picture was impressed on my mind. The doctor had given me only two more days to make up my mind so I sent my husband to the drug store at once for a bottle of Lydia E. Pinkham's Vegetable Compound, and before me. I only took four doses before I felt a change and when I had finished the third bottle I was cured and never felt better. I grant you the privilege to publish my letter and am only too glad to let other women know of my cure."—Mrs. THOS. McNICOLL, 3122 Harville Street, Phila., Pa.

shop will be at liberty to fix its own prices. With the break in the scale of charges some barbers have also announced that they intend to extend the closing hour. Other prices will be the same.

"IT SAVED MY LIFE" DECLARED MRS. F. BENNETT

Pittsburg Woman Now Attributes Her Recovery to Master Medicine.

"This Tanlac has relieved me of that dreadful catarrh," said Mrs. Florence Bennett, residing at 429 Atwood street, Pittsburg, Pa., recently, "and I now feel like an entirely new woman."

"I had catarrh of the stomach and head. My head was all stopped up, feeling full and sore most of the time. I am certain that I swallowed the accumulations in my throat, when I slept at night, as I never had any appetite for breakfast."

"I was in a terrible debilitated condition, too. It seemed that I had almost no blood circulation. I suffered intensely from headaches, and my sleep never was sound and restful. I was nervous and languid and lacked energy. I positively declare that my housework had become a real drudgery."

"One day recently a friend said to me, 'Why don't you try this new Tanlac?' I know of persons it has helped and it may prove beneficial to you. I decided to try Tanlac and obtained a bottle of the medicine. After taking a few doses I noticed much improvement in my condition."

"My head became clearer and I noticed that my catarrh was fast disappearing. My appetite became so ravenous that it was difficult to satisfy it. I began sleeping peacefully and my sleep is now restful and beneficial. I have gained strength and weight rapidly. My headaches have gone, and the circulation of my blood is now normal."

"That languid, listless, tired-all-the-time feeling has left me, and my housework has become a pleasure rather than a duty."

Tanlac is now sold in Connelville exclusively by the Connelville Drug Co., where the premier preparation can now be had.—Adv.

A UTILITY BAG.

Directions For Making One That's a Regular Carryall.

A utility bag which answers the purpose of a laundry and shoe bag, with two other pockets for various articles, will be found very convenient when traveling. This bag can be taken from the trunk or suit case and hung up without disturbing its contents.

Cretone is perhaps the best material for such a bag. It would require two pieces for the foundation of the bag. One piece should be a yard long and twenty-one inches wide, the other a yard and one-fourth long and twenty-two inches wide. Before joining the two strips attach pockets to the longer piece. Turn up one-fourth yard at the bottom for the flap of the laundry bag. Slightly round it and bind the raw edges with tape. When the bag is completed this flap will snap or button over the back of the bag.

Across the bottom after the flap has been measured off attach shoe pockets. Bind a long piece of material with tape across one side, then lay it into four box plait, dividing them by means of a stitched piece of tape; also stitch a piece of tape across the bottom after the pockets are basted in place.

Above these pockets attach another bag the width of the strip underneath and any desired depth. Bind top edge with tape, divided into two sections and stitch tape across the bottom.

Now leave the long strips to a depth of five inches with satin and stitch a casing for double drawstrings. Stitch the two pieces together on the right side and bind with tape. Snap the flap at the bottom over the back of the bag.

DANGER IN GOOD TIMES.

Expensive Habits Made During Good Times.

It has just been pointed out that the present good times is dangerous for those people who use all of their income and do not save a part of the money. A standard of living is established in good times that cannot be kept up when work is scarce and wages low. Save a part of your earnings and deposit the money at the Citizens National Bank, 139 North Pittsburg street.—Adv.

HOW TO BE SLIM

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must always be laughing at an account of your fat, but go to A. A. Charles or any good druggist, and get a box of Oil of Kola capsules, take one after each meal and one before retiring at night. Weigh yourself once a week and not what a pleasant and reliable method this is for removing superfluous fat from any part of the body.

It costs little, is absolutely harmless and a week's trial should convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat.—Adv.

WHAT DYSPEPTICS SHOULD EAT

"Indigestion and practically all forms of stomach trouble are, nine times out of ten, due to acidity; therefore stomach sufferers should, whenever possible, avoid eating food that is acid in its nature, or which by chemical action in the stomach develop acidity. Those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, should try a meal of any food or foods in moderate amount, taking immediately afterwards a teaspoonful of bisaturated magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisaturated magnesia is doubtless the best food corrective and antacid known. It has indirect action on the stomach; but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation which inflames the delicate stomach lining, it does more than could possibly be done by any drug or medicine. Do not dose an inflamed

TWO PLAYGROUNDS ARE SELECTED BY SCOTSDALE BOARD

Committee Chooses Stauffer
and Loucks Locations
as Sites.

FRICK MEN TO LAY THEM OUT

Laborate Program is Arranged for
Joint Shakespearean Recital by
Musical Club and Robert Skemp;
Malta Post Commanders Meet.

Special to The Courier
SCOTSDALE, April 21.—The W. Dawson, J. H. Springer, C. H. Loucks, Ben Miller, J. L. Hustman, M. S. Loucks, Harry Laughlin, William Ferguson and J. R. Dalton the committee on site for the playground, met and named the Walter Stauffer lot on Arthur Avenue and the lot of the Alton Loucks estate on Eastman street as the site for the playground. The Frick company, which has so successfully conducted playgrounds at all of its works, will draw up plans for the Scottdale grounds. Grading will be done immediately and pieces of shelter built right on the ground. The matter of finance will be discussed at the next meeting to be held on next Tuesday evening in the Y. M. C. A. Following next Tuesday's meeting there will be a general meeting called and at the time the person who will have charge of the playground will be named.

EXHIBIT (FRICK)
The new hook and ladder made for the Hook & Ladder Company in Mount Pleasant was brought to Scottdale last evening and taken over the town.

MRS. RIKU DIES
Mrs. Mary Riku aged 67 years, died at her home in the Fisher & Grant Building on Wednesday afternoon. She is survived by her husband and the following children: Mrs. H. J. Wolfe, Bakerstown; Mrs. H. J. Cunningham, Chicago, Ill.; Mrs. A. G. Rice, Duquesne; Misses Clara, Nellie and Stella at home. The funeral services will be held on Saturday afternoon at 2 o'clock at St. Paul Lutheran Church and interment will be made in the Scottdale cemetery.

CHURCH PROCESSION
Seventy-five boys and girls took part in the Holy Thursday procession at the St. John the Baptist Church yesterday morning. The services were very impressive and very pretty.

PAST COMMANDERS MEET
The Past Commanders Association of the Knights of Malta of Westmoreland county held a meeting in the Malta Hall last evening. There were 11 past commanders in Scottdale. Among the towns represented at last night's meeting were Greensburg, Mount Pleasant, Youngwood, Irwin, Madison, Ruffsdales. After the business meeting refreshments were served.

RECEIVAL PROGRAM
The program for the John Shakespearian recital to be given by the Monday Musical Club and Robert Skemp in the First Baptist Church on April 24 is as follows:

As you Like It—It Was a Love and His Love chorus. Merchant of Venice—Trial Scene, Skemp. Piano duet—"New World Symphony" Miss Miller and Miss Mull. Much Ado About Nothing—"Benedict on Love, Mr. Skemp. Midsummer Night's Dream—"I Know a Bank" C. Hoen, Mrs. Skemp. Mrs. Murphy. Miss Reid, Mrs. White, Mrs. Stutz and Miss Mull. Hamlet—(Prelude) Advice to Laertes and Hamlet's Soliloquy on Death. Mr. Skemp. Piano solo—Ballad in A Flat by Miss Kollar. Julius Caesar—Branus speech and Mark Anthony's speech. Mr. Skemp. The Tempest—(a) "Where the Flea Sucks Sullivan," (b) "Hark! Hark! The Lark Schuberth, Mrs. Kollar. Glousters Soliloquy and Clarence's Dream. Mr. Skemp. Two Gentlemen of Verona—"To Sylvia" Schubert, Mrs. Kelly. Miss Mull. Mrs. Stutz. Henry the Eighth—Wolsey's "Lacwell" Mr. Skemp and Midsummer Night's Dream—"The Spotted Snakes" Mr. "Arren's" chorus.

WHISKEY? NO. NOT FOR RHEUMATICS

Don't drink whiskey if you have rheumatism, and be sure and keep your feet warm and dry, and drink plenty of lemonade.

This advice, says an authority, is helping him as all know who have suffered, rheumatism is a stubborn disease and yields only to a remedy mighty enough to conquer it.

Many doctors have prescribed and hundreds of helpful druggists have advised a half teaspoonful of Rheuma once a day because they know that powerful Rheuma balmless as it is acts with speed and overcomes in a few days the most torturing case of rheumatism or sciatica.

Try Rheuma A. A. Clarke and all druggists sell lots of it and will return your money if two 50-cent bottles do not stop all rheumatic misery.

—Adv.

CIRCUS HOTEL

Owner of Carl Hagenbeck-Wallace Show First to Carry Commissary.

The Cook tent is one of the marvels of the modern circus. It was the custom for many years for the management to send its employees to the local city hotels for their food. The

underlying for providing the meals for the army on the grounds was so stupor, does that the best regulated show hesitated to take the task. Finally the objections to the old method made the accomplishment necessary.

As the circus grew in size the combined efforts of hotels and restaurants were unable to meet the demands thrust upon them.

B. D. Wallace was the first man to carry a complete commissary department with his aggregation and later other shows followed in pursuit. Ad vances men now see that all needs of the commissary department are supplied.

There are two separate and distinct commissary departments with the Carl Hagenbeck-Wallace Circus, which comes to Connelville Monday May 8.

For performance at 2 and 8 P. M. One occupied by the workmen whose stomachs are not satisfied until the tents are raised and all the paraphernalia is on the lot. This is a wise idea, for it issues prompt and hasty work.

Under a nearby canvas are fed the executive staff performers, men, women and children of the circus. These are most tables, table cloths and china dishes. There is a bill of fare and one may find anything that is supplied in the dining room of the best metropolitan hotel. The food is cooked in the open and it has its own peculiar appeal.

using flavor. It is served in abundance and a happier, heartier body never did more justice to a meal. Skillful waiters, neatly attired in white do prompt attendance. As the cook tents are the first to be raised in the morning they are necessarily the first to be packed away on the Flying Squadron at night that breakfast may be served at 7 o'clock the following day in a town probably a hundred miles away in another state.

NEWS OF THE DAY AS GATHERED UP AT MT. PLEASANT

Girls' Friendly Society is About to Close a Fine Year.

SECOND LIEUTENANT IS NAMED

William C. Stevenson Elected to Fill Vacancy Among Officers of Company B; Many Children Take Part in Catholic Church Processions.

Special to The Courier.—The Girls' Friendly Society of this place will hold their last meeting in the Mt. Pleasant club room on next Thursday afternoon. The conditions in Mount Pleasant have been very good the past year and the club was not called on for much charity work. The ladies made shirts for French soldiers during the past winter.

William C. Stevenson was elected second lieutenant of Company B Tenth Regiment at an election conducted by Captain John D. Hutchinson at the state academy last evening. Thirty men were present. During the summer months drills will begin at 7:30 o'clock and as the Park Park dries off the drills will be held in the open air.

Following the initiation of a class of candidates at the Protected Home Church last evening, an Easter supper was served to those present.

Dr. Keefe of Aetna, who came to town and became drunk and disorderly, is serving three days in the borough lockup.

The Hospital Alumni will have Byron King give a lecture in the Presbyterian Church on May 19.

Mrs. B. M. Loe's class from the United Brethren Sunday school will hold an Easter market in the church on Saturday from 5 o'clock.

Sara M. Dwyer was a caller in Connelleville yesterday.

O. P. Shupe and daughters, Mrs. Virginia Hood and Mrs. A. T. Collins, were calling on Uniontown friends yesterday.

Ralph Husband of Cumberland, Md., is visiting his father, John Husband of Main street.

Dr. James Harkins attended the opening baseball game in Pittsburgh yesterday.

Miss Viola Stevenson, a teacher in the Uniontown schools, is home for the Easter vacation.

The Institute students who will give But-But, held a rehearsal in the Grand Opera House last evening.

The Holy Thursday procession was held from the St. Joseph's Church yesterday and from the Visitation Slavish Church and the Polish Church. At each church a large number of children took part.

WHAT TO DO TO GET FAT AND INCREASE WEIGHT

The Real Cause of Thinness.
Most people eat from four to six pounds of good solid fat-making food every day and still do not increase in weight one ounce, while on the other hand many of the plump, chunky folks eat very lightly and keep gaining all the time. It is almost to say that this is the nature of the individual. It isn't Nature's way at all.

Most thin people stay thin because their powers of assimilation are defective. They absorb just enough of the food they eat to maintain life and a semblance of health and strength. Stomach and bowels help them. A dozen meals a day won't make them gain a single "stay there" pound. All the fat-producing elements of their food just stay there in the intestines until they pass from the body as waste. What such people need is something that will prepare these fatty food elements so that their blood can absorb them and deposit them all about the body—something, too, that will multiply the red blood corpuscles and increase their blood's carrying power.

For such a condition it is well to recommend eating a Sargol tablet with every meal. Sargol is not, as some believe, a patented drug, but is simply a careful combination of six of the most effective and powerful assistive and flesh building elements known to chemistry. It is absolutely harmless, yet has been wonderfully effective and a single tablet eaten with each meal often, according to reports of users, has the effect of increasing the weight of a thin man or woman from three to five pounds a week. Sargol is sold by all good druggists everywhere on a positive guarantee of weight increase or money back.—Adv.

OHIOPILE.

OHIOPILE, April 21.—Mr. and Mrs. Bryan King returned to their home at Allison last evening, after a short visit here the guests of Mr. and Mrs. George Shipley. Miss Mamie Shipley accompanied them home.

George W. Vetter of Connelleville, moved his household goods to this place yesterday.

Dr. Meyers of Connelleville, was a caller here yesterday.

Alex Plume of Bear Run, was a caller here yesterday.

Mrs. Harry Horton of Connelleville, was a caller here yesterday.

Thomas Fleeson of Uniontown, was a business visitor here yesterday.

George Stewart returned to Ohiopile last evening, after a several days' visit in Uniontown.

Daniel Stull of Bear Run, was a caller in town yesterday.

Mr. Snyder of Somerset, was a business caller here yesterday.

James Linderman and George Holman of Satterburg, was business callers in town yesterday.

H. V. Hitehouse spent Thursday in Connelleville looking after business matters.

To Avoid Dandruff

You do not want a slow treatment when hair is falling and the dandruff is killing the hair roots. Delay means no hair.

Get, at any drug store, a bottle of Zemo for 25c or \$1.00 for extra large size. Use as directed, for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is sure and safe, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, as they contain alkali. The best thing to use is Zemo, for it is pure and also inexpensive.

Zemo, Cleveland.

MEYERSDALE.

MEYERSDALE, April 20.—N. B. Koser of St. Louis, Mo., spent the day here visiting with his brother-in-law

and sister, Rev. and Mrs. A. E. Truxal. He was on his return from Washington, D. C., and stopped here for the day, leaving in the evening for Pittsburgh, where he will visit his brother, Park Koser, who is a patient in a hospital at that place.

James Foley, who attends a business college in Baltimore, Md., arrived here today to spend the Easter vacation with his parents, Mr. and Mrs. Michael Foley.

Dr. C. P. Large and T. W. Gurley were at Cumberland where they attended a meeting of the Masonic lodge.

John S. Berkley of Pittsburgh, is here for a few days' business and pleasure visit and is a guest at the home of his brother-in-law and sister, Mr. and Mrs. M. C. Horner.

Miss Ruth Cleaver, who is teaching school at Allison, is home with her parents, Editor and Mrs. K. Cleaver for the Easter holiday vacation.

Miss Helen Collins, who spent the past two weeks visiting relatives and friends in Oakland, Md., returned home yesterday.

Joseph Lowry of Fairhope, was transacting business in Meyersdale yesterday.

Rev. Father Greaney of Leisensberg, spent part of Wednesday here as the guest of Rev. Father Brady.

Japan's Coal Trade.

PRACTICAL METHOD OF SHOT FIRING BY ELECTRIC CURRENT

Controlled From a Station
Placed Outside of
the Mine.

DESCRIBED BY MINE BUREAU

A Simple But Complete System Having Many Safeguards Against Premature or Accidental Discharge of Blasts; Efficient and Economical.

A bulletin recently issued by the Bureau of Mines gives detailed descriptions of a number of systems for shot firing in coal mines by means of electricity controlled from the outside. These systems consist generally of a source of power located outside the mine and conductors leading to all working places, and a system of switches for keeping the lines free from stray currents and from the firing current until all men have withdrawn from the mine.

The most complete systems employ switches at or near the entrance to rooms and other working places, at the mouth of each cross entry, and at the point underground where the firing circuit enters the mine. At that point there is also established a circuit breaker to guard against lightning discharges. In addition there are provided on the surface a switch for connecting the shot-firing system to the power supply and another switch to be operated for the actual firing of the shots.

This system allows the firing circuit to be completed step by step, beginning at the working faces and progressing toward the mine entrance. The underground circuits are therefore not complete until the switch at the mine entrance has been closed and the lightning break has been bridged across. The system as a whole is not connected to the source of electric power until it has been ascertained by a suitable checking system, that all men are out of the mine. Even then it is still necessary for the shot firer to close a locked control switch mounted in an enclosure to which he alone has access. Thus the discharge of blasts by stray currents is prevented by the room and entry switch, the discharge of blasts by lightning is prevented by the break at the mine entrance, and the discharge of blasts by accidental connection to the shot-firing generator is prevented by all these switches as well as by the two switches that are placed on the surface.

A check cabin is placed at the main entrance to the mine and has a single attendant, whose duty it is to see that each man receives his identification check when he enters the mine and deposits it when he leaves. The cabin also contains the shot-firing switch, installed in a locked box.

In operation of the system the shot firers distribute the detonators during the day and the miners are allowed to connect the detonators to the room lines. When the miner leaves his room he inserts in the sockets in which his room wires terminate the plugs that are connected to the circuit in the entry. When all the men are off the heading the shot firer unlocks and closes the last plug switch in the main circuit and closes the other switches as he comes to them on his outward trip. When the shot firer goes outside he and the checkman go over the check board twice to make sure that all the men are out of the mine. When all the men have been accounted for, the shot firer proceeds to the power house, where he unlocks and closes the switch that connects the shot-firing circuit to the power circuit. He then returns to the check cabin, where the shot-firing switch is placed, and unlocks and closes the shot-firing switch. The switch is left closed for eight seconds and is then opened and locked, as is also the switch that connects to the power circuit.

Having completed these operations, the shot-firing goes off duty. The switches inside the mine are opened in the morning by the assistant mine foreman.

This system is capable of many modifications as to details of installation and also method of operation, but it serves to illustrate the principles of a successful plan of control operated from outside the mine. The cost of installation varies with conditions and extent of territory to be covered. For a 150-room installation, using rubber-covered wire, the cost ranges from \$1,200 to \$1,700. The cost of operation and maintenance has been found to be about 0.5 of a cent per ton of coal mined.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Official Prescription. This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get on out-of-date and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength ointment; it is this that is sold on the money-back guarantee.

Card of Thanks.

Mrs. Carmen Kuhl and family wish to thank their many friends for the kindness extended to them during their late bereavement, the death of husband and father. Especially do they wish to thank the members of the C. T. Fraternal Society and those who sent floral tributes.—Adv.

Fine Healthy Child Convincing Evidence

Simple, Inexpensive Remedy Checks Early Tendency to Constipation.

About the first thing impressed on the young mother is the necessity for regularity in her baby, which brings up the question of the most desirable laxative for children's use.

Mrs. Jesse Richardson, Philpot, Ky., says she has used Dr. Caldwell's Syrup Pepsin for the past year and that there is no medicine in the world like it. She writes, "My little son, William, Jr., just loved it because it is so pleasant to take, and everybody talks about his being such a fine healthy boy."

Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from any opiate or narcotic drug, and is the standard remedy for constipation in thousands of homes throughout the land. Drug stores everywhere sell it for fifty cents a bottle. Get a bottle of this excellent remedy, and

WM. J. RICHARDSON, JR.

have it in the house. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 464 Washington St., Monticello, Ill.

CARNIVAL IS READY

Great Atlantic Shows Begin Seven-Day Engagement Saturday.

The Great Atlantic Shows, the carnival company that has been wintering in Conneltsville, will open a seven days' engagement Saturday afternoon on the show lot on the West Side. The carnival will have entirely new banners and canvas this season and in addition to six up-to-date shows will carry a big three-breasted carousel and a monster Ferris wheel, the largest and best of their kind.

Beginning Saturday afternoon at 2 o'clock the Royal Italian Band of 18 pieces will give two concerts daily on the streets. The Aerial McDonalds will give two free performances daily, at 4:30 and 10:30 P.M.

The carnival exhibits here under the auspices of the New Haven Horse Company and at the close of this engagement will go to Brownsville.

HOW TO TREAT BURNS, CUTS AND BRUISES

Prominent Manufacturer Finds Most Effective First Aid Remedy.

One of Buffalo's leading manufacturers in whose factory burns, bruises and cuts are almost of daily occurrence says they are now using Chamberlain's Ointment. "I cannot write anything happens demanding the prompt application of a soothing, healing, pain-killing agent. Not only does this wonderful ointment give immediate relief for minor burns but it is invaluable for serious burns and scalds. Only recently a workman was seriously burned and it was thought it would be weeks before he could resume work. A prompt application of Chamberlain's Ointment stopped the pain, the healing began at once, and in just a few days he was back at work again."

Ointment is antiseptic, cooling and wonderfully stimulating to the diseased or injured tissues. In all cases of eczema, itching skin, old sores and piles just one application usually brings blessed relief. Chamberlain should always be on your medicine shelf. Get a large 6-cent box at A. A. Clarke's today and save yourself hours of needless pain and trouble.—Adv.

CONFLUENCE

CONFLUENCE, April 21.—Contractor J. W. Clouse has completed the improvements on the interior of the Holiday restaurant.

Joseph Smith of near Listonburg was a business visitor in town yesterday.

William Burnworth and daughter, Lucille, are improving slowly from their recent attack of rheumatism.

E. W. Dehert of Charleston was a business visitor here yesterday.

H. L. Sellers has rented the Holiday restaurant and will open up about May 1.

The entertainment given by the W. C. T. U. in the Methodist Episcopal Church last evening was well attended and a decided success.

Mrs. E. C. Brown of the West Side was shopping in Pittsburg yesterday.

Mrs. M. Krutshank has returned from a several weeks' visit with her children in Pittsburg, Rochester and Midway.

Mrs. Reeves Hill and little daughter

are visiting in town.

of Palling Waters, W. Va., are visiting her parents, Mr. and Mrs. V. M. Black.

William Ream of this place is a candidate for Congress on the Socialist ticket.

Mrs. Marcellus Burnworth and daughter, Mrs. R. B. Silbaugh of Johnson Chapel, were visiting William Burnworth and family in town yesterday.

Mrs. Jennie Stauffer of Pennsylvania and Mrs. Mattie Recknor of Mount Pleasant are visiting their mother, Mrs. A. B. Flanagan, who is very ill at her home at Johnson Chapel.

BIG EXPORT TRADE

Total for Eight Months Far Ahead of the Imports.

Special to The Courier. WASHINGTON, April 21.—Exports from the United States for the eight months ending with February totalled \$2,512,361,550 as compared with imports of \$1,291,094,105, a balance in favor of American trade of considerably more than one billion dollars. The exports for the first eight months of this fiscal year were more than \$900,000,000 greater than those of the same period in 1915, while the imports show an increase of only \$235,000,000.

The greatest increase in exports was in manufactures ready for consumption which rose from \$129,339,523 in the first eight months of the fiscal year 1915 to \$1,122,366,132 in the same period this year. On the other hand in the imports there was a decrease in this group from \$243,332,512 to \$195,072,880.

Subject to Billions Attacks.

Mrs. J. P. Stroh, Akron, N. Y., says: "About a year ago when I began taking Chamberlain's Tablets I was in a badly weakened and run down condition. I frequently had bilious attacks that lasted for several days, during which time I was so miserable I could scarcely drag myself about the house. Since using three bottles of Chamberlain's Tablets I have felt like a new woman." Chamberlain's Tablets only cost 25 cents per bottle. Obtainable everywhere.—Adv.

ATTORNEYS NOT TO GET BIG SLICE OF COMPENSATION FEES

Board Urges Insurance Carriers to Pay Direct to Beneficiaries.

UNIQUE CAUSES COMING UP

West Side Firemen Covered Under Policy Insuring All City Employees But Only for Half of Weekly Wage Which Would Mean 4 Cents a Day.

Since the payments to injured workmen under the compensation act began, instances have been reported to the state board where attorneys have either retained or induced the beneficiary to pay them large percentages of the money they received. In an effort to prevent this, a letter has been sent to every insurance carrier in the state urging them to pay all compensation direct to the person entitled to it, regardless of whether or not he is represented by an attorney.

The letter follows: "It has come to the attention of the Workmen's Compensation Board that in certain cases where compensation has been paid under agreements or awards to the attorneys or claimants, the attorneys have retained or induced the claimants to pay to them exorbitant fees or unduly large percentages of the installments paid without having had their fees approved by the board, as required by section 501 of the compensation act.

"The board emphatically disapproves of such practice on the part of the attorneys. In order that this may be impossible in the future, the board requests you to pay all compensation due, either under an agreement or an award, direct to the person entitled thereto even though such person is represented by an attorney of record, unless the attorney shall furnish to you the board's approval of his claim for legal services and expenses."

Compensation insurance checks are coming into the local banks frequently now. In some cases the payments are made out to the Cottage State Hospital direct, the beneficiary being a patient at that institution.

One of the peculiar kinks of the compensation act was revealed when it came to determine whether or not the volunteer firemen here were covered by the blanket policy insuring all city employees. It developed that they were—to the extent of half their weekly wage. Now it happens that the entire volunteer department of 29 men are paid only \$125 a year by the city. This means eight cents a week for each member. Half of that would mean four cents compensation for a fireman if he gets hurt. To overcome this and fully protect the firemen, council is contemplating the taking out of separate policies for each fireman which would provide him with about \$30 a month compensation.

Headline Hereinafter: If so, it will pay you to read our advertising columns.

YOUR STOMACH BAD?

JUST TRY ONE DOSE of MAYR'S Wonderful Remedy and Be Convinced That You Can Be Restored to Health.

Mayr's Wonderful Remedy has been taken by many thousands of people throughout the land. POLICE SUPPLIES ON WAY

New Helmets and Wreaths Have Been Shipped by Pittsburg Firm. The police helmets and wreaths that were ordered some time ago for the members of the force have been shipped and should be ready for distribution in a few days. Chief Rottler was notified this morning by the Kaufmann Company of Pittsburg that the goods had left them.

Each officer of the force will get a

new headpiece and a wreath for the hat. In the wreath the word police is left out, it being decided that this word was superfluous. The force will then be almost newly equipped, new uniforms and maces having already been purchased.

POLLY AND HER PALS.—The Baby Shows Class.—By Cliff Sterrett.

SOCIAL and PERSONAL

At a meeting of the Oward Class of the Methodist Protestant church held last evening at the home of Miss Mercedes Gladden and Miss Josephine Rinehart in Eight street, Greenwood, a new plan for raising money toward the new Sunday school fund was adopted. Small books known as "traveling books," each containing 15 checks will be sent by members to their friends. Ten cents or more is supposed to be signed on each check and returned to the chairman of the committee, which is composed of Mrs. Harry Hietzel and Miss Josephine Rinehart. The meeting was attended by thirty-four members and was one of the most interesting. Refreshments were served.

Miss Myrtle Bailey of Glasgow, Canada, who is visiting Dr. and Mrs. L. J. C. Bailey in Greensburg was here guest at a tea given yesterday afternoon by Miss Emily Galtner at her home in Greensburg. Miss Bailey is a sister of Dr. W. J. Bailey of this city and is well known here.

Miss Mabel Golden will entertain the four hundred fancy work club of Dunbar this evening at her home at Dunbar.

A successful concert was held last evening in the First Methodist Protestant church at Dunbar. The program consisted of readings selections by the church quartet and by the Olympic Mandolin Club of Uniontown.

Mrs. William A. Quayle of St. Paul, Minn., wife of Bishop Quayle of the Episcopal church, is a guest at Linden Hall St. James Park. Mrs. Quayle is the only wife of the bishops to accompany their husbands to Dawson.

The monthly business and social meeting of the Epworth League of the First Methodist Episcopal church will be held Thursday night at the home of Rev. and Mrs. G. L. C. Richardson in South Pittsburgh street. The annual election of officers will take place and plans for a banquet to be held about the middle of May will be discussed. A membership campaign is being conducted by the League and at the banquet the winning members will be the honor guests. The League has been divided into the twelve tribes of Israel. At the present the tribe of Reuben, with Harry Siger at the head is in the lead. The banquet will be served by the J. O. C. Class of the Sunday school.

Shiloh Lodge No. 103 to the Brotherhood of Railroad Trainmen met yesterday afternoon in Odd Fellows' temple and transacted business of a routine nature. Refreshments were served.

Guests from this city will attend the annual party given by the Epworth League of the First Presbyterian church Wednesday night at the William Penn Hotel, Pittsburgh under the auspices of the Knights of Columbus of that city.

The semi-monthly meeting of the Ladies Aid Society of the First Baptist Church will be held this evening in the church.

The Christian Culture Class of the United Presbyterian Sunday school will meet this evening at the home of the Misses Lehr, 127 East Peach street.

A well attended meeting of the Woman's Missionary Society of the Methodist Protestant church was held yesterday afternoon at the home of Mrs. Rockwell Marlette in East Main street. Thirty-two members attended and three new members were received. The society has taken up the precious jewel work among children. Mrs. J. J. Robinson is in charge of the work. At the close of the business meeting delicious refreshments were served.

The Young Men's Union Bible Class met last night in the First Baptist Church. At the close of the Bible study refreshments were served by a committee composed of wives of the married men of the class.

The Woman's Bible Class of the First Baptist Church met yesterday afternoon at the home of Mrs. Hietzel in Peach street. A social hour and refreshments followed the business meeting.

A ten cent tea was held in connection with the regular business and social meeting of the Junior Organized Bible Class of the First Presbyterian church.

Why Not Get Rid of Eczema?

If your skin itches and burns with eczema or any such disease, simply wash the worst places with Resinol Soap and hot water, dry, and apply a thin coat of Resinol Ointment. Usually the itching stops INSTANTLY, you no longer have to dig and scratch, sleep becomes peaceful and healing begins. That is because the soothing, antiseptic Resinol medication arrests the action of the disease, and almost always restores the tortured, inflamed skin to perfect health—quickly, easily, and at little cost. Prescribed by doctors for over 20 years, and sold by every druggist.

What the Right Soap Does for Your Skin

Money cannot buy a purer, more cleansing toilet soap than Resinol Soap. And the healing Resinol medication in it helps to keep the complexion clear, fresh, and beautiful.

The Church held last evening in the church.

The Young Ladies' Sodality will hold a euchre and dance Tuesday evening, May 2, in the Parochial school auditorium. The hours are from 8 to 12 o'clock. Music will be rendered by Kiefer's orchestra.

The Dramatic Club of St. Alloysius church of Dunbar will present a home talent play, "The Iron Hand," some time in May.

The regular meeting of the F. O. M. Class of the Methodist Protestant Sunday school will be held this evening in the church.

Betty Thomas, little daughter of Dr. and Mrs. D. C. Thomas of Pittsburgh, returned home this morning, after a visit with her uncle and aunt, Mr. and Mrs. O. L. Eaton.

TOWER HILL WEDDING

Miss Mary Means is Bride of Harry F. Harshman.

Miss Mary P. Means and Harry F. Harshman, both of Mount Braddock, were married Wednesday morning at the home of Leo Harshman at Tower Hill. Rev. R. C. Van Eman, pastor of the Hopewell church, officiated. The ceremony was followed by a wedding dinner at which covers were laid for the parents of the bride and bridegroom and a few friends.

The bride is a daughter of Mr. and Mrs. Joseph T. Means of Mount Braddock and is a granddaughter of Mr. and Mrs. C. S. Freed of Highland farm, Dunbar township. The bridegroom is employed at the W. J. Rainer store at Mount Braddock. After a few days' visit at Tower Hill, Mr. Harshman and his bride will return to Mount Braddock to reside. Among the guests at the wedding were Mr. and Mrs. Joseph T. Means and Mr. and Mrs. John Harshman of Mount Braddock.

Lake Dents Runabout. Boat traffic on the Great Lakes resumed on Tuesday.

Calling Out The "Reserves." Happy is the man or woman who can call upon reserves of health and strength in every crisis. Building up reserves is a question of eating the right kind of food. Shredded Wheat Biscuit supplies all the material needed for nourishing the tissues and its daily use keeps the bowels healthy and active. Eat it for breakfast with hot milk or cream.

Made at Niagara Falls, N. Y.

The Grim Reaper

MRS. KATE JENKINS. Mrs. Kate Sampson Dickey Jenkins died yesterday morning at her home in Brownsville. Mrs. Jenkins was a member of the Sampson family, one of the pioneer families of Washington county. Of late she had resided in Brownsville.

MRS. M. J. RORKE. The funeral of Mrs. M. J. Rorke took place this morning from St. John's Catholic Church in Scotland with Rev. Father Lambing in charge. Many relatives and friends of the deceased from Fayette and Westmoreland counties and more distant points attended. Interment in the Scotland cemetery. Among the out-of-town persons attending were Mrs. S. J. Harry, Mr. and Mrs. L. Schuler and daughter, Miss Timola, Mrs. Mary Kelly, Mrs. Mary Harrison and Mrs. John Laffey of Connellsville, and Mrs. James J. McCarthy of Greensburg.

CHARLES YOUNKIN. Charles Paul Younklin, an infant son of Harvey C. and Anna Younklin, died this morning at the family residence in South Connellsville.

TRIED VARIOUS KIDNEY REMEDIES BUT ONLY ONE PROVED RELIABLE

It is with great pleasure that I write these lines of praise for your wonderful kidney and bladder remedy. I had kidney trouble so bad I became very much alarmed. I had tried various kidney remedies I heard of but without relief. I was about discouraged of ever being helped, when, one day I picked up a book containing testimonials of people who had been helped and cured of their kidney trouble by the use of Dr. Kiefer's Swamp-Root. I decided to try it and I know I owe my present good health to the wonderful curative power of Swamp-Root. I sincerely hope my words will be the means of restoring to many other sufferers of kidney and bladder troubles to good health.

Very truly yours,
B. J. FENSTERMAKER.
1491 Riverside Ave., Lakewood, Ohio.
Personally appeared before me this 18th day of October, 1915, B. J. Fenstermaker, who subscribed the above statement and made oath that the same is true in substance and in fact.

WM. J. KLOTZBACH,
Notary Public.

Letter to Dr. Kiefer & Co., Binghamton, N. Y.

Prove What Swamp Root Will Do for You.
Send ten cents to Dr. Kiefer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. I will also receive of you valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Connellsville Daily Courier. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.—Adv.

Train Boys Born

Word has been received here of the arrival of twin boys yesterday at the home of Mr. and Mrs. Joseph Miller in Pittsburgh. Mrs. Miller was formerly Miss Katherine Donovan of Leisensburg, Pa. Mr. Miller is employed in the West Penn railway offices in Pittsburgh, having been transferred from the local offices some time ago. The now arrivals are grandsons of Mrs. Thomas Donovan of Leisensburg.

Marry in Cumberland

Ruth Clark of Connellsville, Lloyd Snyder of White, Andrew Thomas Schmeider of Pittsburgh, Mary Estelle Meador of Meyersdale, Charles Albert Fife of Sipesville and Olive A. Soyars of Somerset, Charles Lawrence Harkin and Catherine Zelanda Beverly, both of Uniontown, were granted marriage licenses in Cumberland yesterday.

Whooping Cough

H. J. Strickland, publisher of The World Herald, Fairhaven, Wash., writes, "My little son had an attack of whooping cough and was threatened with pneumonia, and but for Chamberlain's Cough Remedy would no doubt have had a serious case of it. It also saved him from several severe attacks of croup." Obtainable everywhere.—Adv.

Infant Dies

An infant child of Mr. and Mrs. George Baker died yesterday at the family residence in South Connellsville. Interment today in Mount Olive cemetery.

Motor to Pittsburgh. Rev. and Mrs. A. J. Asho of Knoxville and S. P. Asho, superintendent of schools, motored to Pittsburgh today in Rev. Asho's touring car.

PAPER FAMINE IS NOW FEARED

Old Rags Assume Tremendous
Value as Raw Material.

WAR ALSO CUTS OFF DYE.

Paper Manufacturers Forced to Compete With Manufacturers of Powder, as Same Articles Are Used in Both. Public Is Forced to Pay—No More Contracts Made.

"Rags for paper, not for powder," this is the slogan of the paper manufacturers of the United States, who are facing today the most serious situation that ever has confronted the industry in the country, a situation that is daily becoming more and more acute. The great war has served to cut off imports from Europe of rags, which are essential in the manufacture of the best grades of paper. For years the United States has depended on Europe for a large proportion of the rags which go into the manufacture of paper in this country.

This already serious situation is made all the more serious by the action of the powder manufacturers in buying up all the available supplies of rags in this country for use in making powder to fill the munition contracts for the belligerent powers. It has been found that rags are practically as good for the manufacture of powder as raw cotton and cost much less. The powder manufacturers are buying up rags at prices which are prohibitive from the standpoint of the manufacturer of paper.

Shortage of Wood Pulp. But the rag shortage is not the only one which is confronting the paper manufacturers. There also is a serious shortage in the supply of wood pulp used in making the cheaper grades of paper and a worse shortage in chemicals which are essential in paper manufacture. The same chemicals which are used as bleaching agents are also employed in making the gases used in the deadly gas bombs being employed in the great war. Shipments of dyes have been cut off, and the shortage which has resulted has advanced the price for some material which formerly sold for about 20 cents a pound to as high as \$40.

The shortage of raw materials, dyes and chemicals has so crippled the paper industry that no manufacturers are entering into contracts for supplying paper and no one is accepting orders with the understanding that they may never be able to fill them. Prices for all kinds of paper are climbing by leaps and bounds daily, and there is no telling when the advances will stop.

Waste of Rags Serious. The prevention of waste on the part of the general public will do much to relieve the situation, it is stated. This is especially true in the case of the waste of materials which go into the manufacture of paper, particularly rags.

Recently a Washington dealer tried to fill an order for about a carload of paper to be used for printing tax bills and receipts for the state of West Virginia. The order must be filled by May 15, for the forms are to be used for this year's tax collections. He reports that not one manufacturer in the country will guarantee delivery on such an order. The best promise of delivery which he has received so far is Aug. 15. On an order for 100,000 pounds of paper, which formerly sold over the counter at about \$2.75 per 100 pounds, the best figure he could get was \$7.50 per 100 pounds and the date of delivery not guaranteed. The dealer said that the sweepings from the cutters in his establishment are bringing about 50 cents a pound.

He explained that in the manufacture of the cheaper grades of paper from wood pulp three processes are employed. In one the wood is ground between rollers and all the impurities and defective spots it contains serve to impair the value of the pulp thus made. Better grades of wood pulp are made by means of a sulphite process and a soda ash process. Both of these processes require chemicals that have advanced greatly in price as the result of the shortage caused by the war. In normal times soda ash sold for 55 cents per 100 pounds. Today it is selling for \$6.50 per 100 pounds. Sulphite that sold for \$2.50 per 100 pounds a short time ago now is bringing \$8 for such a quantity.

Paper manufacturers are making no contracts and are receiving orders only under the following conditions: That the paper will be shipped when sufficient raw material to supply the order has been received. That no guarantee or promise of date of delivery will be made.

That when the order is finally shipped the price for the paper will be at the prevailing figure at the time of each shipment.

The few orders that are being filled by the manufacturers are being cut just in half. If a paper dealer orders 10,000 pounds of paper he cannot possibly expect to get more than 5,000 pounds delivered.

Indifference. "Which do you prefer, summer or winter?" "I've no preference," replied Mr. Growder. "It is just as depressing to me whether I put in a large portion of my time reading about the hottest day ever or the coldest day ever."—Washington Star.

Heavy Hearts. Mr. Bacon—There, what did I tell you? This paper says the average man's heart weighs from ten to twelve ounces; the average woman's from eight to ten. Mrs. Bacon—Of course Mrs. Bacon's heart weighs more. They are a good deal heavier.—Youth's Statesman.

Thorough Understanding. "I presume you understand an auto thoroughly?" "Thoroughly—that is, I know when it won't run; there is something the matter with it."—Detroit Free Press.

LURE OF THE EASY CHAIR.

Do Not Let It Wean You From Good Healthful Exercises.

The United States public health service has issued a bulletin against the rocking chair, the "old armchair," about which poets have woven some of their prettiest verse, the office chair and any sort of a chair so comfortable in form that it invites repose.

Not because of a deadly sort of lurk in the easy chair, upholstered or plain. Not for that reason does the health service of our government condemn it, but because a man with an easy chair at hand is likely to form the habit of sitting in it when he ought to be up and around, taking exercise that he must have if he is to keep well. The easy chair is to blame for much of the heart and kidney disease, appendicitis and indigestion which afflict the business men of our day and carry so many of them off when they ought to be in the prime of life. These diseases were almost unknown a generation ago, when men worked hard in the open air. Walking was the thing that kept them well and strong up to eighty and ninety years of age.

But now men sit as they ride to and from work in motor or street cars. They sit at their work in office or factory. About the only so-called "exercise" many of them get is riding in a motorcar. It is a "sitting down" exercise, and the government warns of its dangers.

TESTS FOR HEARING.

Rigid Orders For Candidates For Our Army and Navy.

The physical requirements of American soldiers and sailors are of a high standard as compared with those of other countries. The test for hearing, for example, in our army and navy is more severe than of any other country.

One of these tests for admission to our Naval academy may be taken as a typical example of the thoroughness with which the candidates' faculties are tested. In this test the ticking of a watch must be heard at forty inches in quiet surroundings, and this ticking must be heard at that distance by each ear separately. In addition to this, the candidate will be rejected if there is the slightest suggestion of any diseased condition about any portion of the ear.

In all the foreign navies, as well as in our own, the severest tests of hearing are imposed upon the men who are to undertake submarine service. In this service even an officer will not be accepted if the surgeon is able to find any evidence that he has ever been afflicted with ear trouble at any time. Thus a slight inflammation of the ear which occurred in childhood may disqualify the officer for submarine service, though his hearing may be so good that he would be readily accepted in any other branch of military service.—Los Angeles Times.

A REAL BLIZZARD.

It Was the Worst Snowstorm New England Ever Experienced.

In February, 1717, occurred what is considered to have been the greatest snowstorm that ever visited this country—or perhaps any other. So deep was the fall that practically all through the New England states people were buried in their houses, and it was a considerable time before that section was opened up for traffic.

Accompanying this snow there were a terrific tempest and a very low temperature. It was not only in sections, but all over the north, and at many places it drifted to the extent that it may be said that "whole villages were snowed under."

The blizzard caused a very heavy damage to property and especially to live stock. Thousands of cattle perished throughout the country because their owners were unable to go to their assistance, and many remarkable instances were related of rescues. On one New England sheep farm it is said that 1,300 sheep, the property of one man, were found dead, and one flock of a hundred, on Fisher's Island, were found buried sixteen feet in the snow. Two of them only were alive, they having subsisted on the wool of their companions for twenty-eight days after the storm.—Philadelphia Press.

OLDEST AMERICAN STATUE.

Found Near Vera Cruz, It Was Made Over Twenty Centuries Ago.

A small stone statue found near Vera Cruz, Mexico, which has been in the possession of the United States National museum since 1903, has been identified as the oldest known dated antiquity in America. Its ancient Mayan glyphs inscriptions show that it was made 100 years before Christ, which is the oldest date authenticated in the new world.

This unique image was found in 1902 near the Gulf of Mexico, 100 miles southeast of Vera Cruz, and came to the museum through R. E. Ulbricht the next year. It is of hard grayish green stone, carved into a rounded conical form, six and one-half inches high and three and three-fourths inches in diameter.

The upper part represents a human head with well defined features. The lower part of the face is covered with a mask, resembling the bill of a duck, over the eyes and extending down over the chest like a beard. The bird-like form is further emphasized by the wings, covering the sides of the figure. Beneath the wings the outlines of a bird's feet and legs are engraved.—New York Times.

Controlling the Temper.

Good health is the first requisite of a good temper. All one known or feels finds expression through the body. Thought, will, action, are all influenced by its condition. Whatever impairs the integrity of the body or disturbs the harmony of its wonderful organization causes distress to the whole being. Unpleasant feelings due to ill health are likely to produce corresponding unpleasantness of disposition. The disorder, if prolonged, results in a bad habit, thus becoming an element in individual character. Deranged digestion, vitiated blood and other impaired vital processes are at the foundation of much of the irritability, impatience, caprice, ill temper and so called naughtiness of childhood.—Good Health.

Tris Speaker, \$50,000 Ball Player, Will Be Missed by Boston Red Sox

Photo by American Press Association.

THIS SPEAKER, who was recently sold to the Cleveland by Boston for \$50,000, the highest price ever paid for a ball player, states that he is entirely satisfied with his new berth. Many experts are of the opinion that the Boston Red Sox's chances for winning the 1916 pennant have been greatly lessened by the absence of Speaker. For many seasons several of Boston's pitchers have appeared marvels by reason of his great catches in center field. Speaker is considered the greatest fielding outfielder in the game. He plays the outfield like an infielder. There is no doubt that Speaker will help to put the Cleveland club in the race.

WILLARD STANDS ALONE.

No One in Sight Now Who Could Give Him a Battle.

Those who make a close study of the pugilistic situation assert that there is no heavyweight in sight who would have a chance of beating Jess Willard. If the champion does not decide to quit the ring it is not likely that any one could be developed within the next few years who could defeat him. Willard found it a difficult task to get down to 229 pounds after training for five weeks, and those close to him say that it would be difficult for him to make this weight again.

It is likely that Willard will have to retire undefeated. If he does he will present his title to any one whom he considers qualified to take it. In 1905 Jim Jeffries did this, when he decided to retire. He referred a bout between Marvin Hart and Jack Root at Reno and presented his heavyweight title to Hart, the winner of the bout. "Philadelphia Jack" O'Brien also claimed it, but his claim was ignored, and the championship went to Hart, who was later defeated by Tommy Burns. Jack Johnson got the title when he defeated Burns. Jack McAuliffe also retired undefeated as lightweight champion, his title going to Kid Lavigne, who he thought was best qualified to take it.

HATS OFF TO OLD ELI!

Johnny Overton, Famous Sprinter, Product of Yale.

Hats off to old Eli and Johnny Overton! Not because Johnny won the "three-quarter" although there's enough glory in doing that, but because in Overton Yale has produced a runner who has all the earmarks of another Paul Jones.

Overton's first big win was at the Intercollegiate cross country championships last fall, when he triumphed in easy style over as classy a field as ever went to the post in the collegiate six mile hilly trail. He then took to the board foot races, competing successfully in many races. In January he made his New York debut by appearing in the mile and a half Redman Vanamaker special at the Millrose games.

Ex-Athletes May Beat Old Partners.

Players who were discovered and developed by Connie Mack will oppose the new Athletics in four American league cities this year. Whenever his team is slumped through the efforts of these old stars Mack's only solace will be the money he has received for some of their releases. The White Sox will present four former Mack men in their lineup—Eddie Collins, Eddie Murphy, Jack Lapp and Joe Jackson. The New Yorks have Bob Shawkey and J. Franklin Baker. Eddie Plunk will be one of the St. Louis Browns' leading pitchers, while Jack Barry will help the Red Sox at the middle bug.

White Sox Have No Field Captain.

Manager Rowland has decided not to have a field captain for the Chicago White Sox.

"When the manager is on the coaching line there is no need for a field captain," says Rowland. "If by any chance I am out of the game the boys can carry along the battle without me."

Dog Carts in Holland.

Residents of Bunschoten, Holland, make use of the little carts drawn by dogs, which are to be seen in very many parts of the Netherlands, and have a line breed of tall, yellow, smooth haired dogs, which they sometimes harness three abreast.

Ain't It The Truth?

The train always leaves on time when you are a minute late.

The day is always fine when you have your umbrella and raincoat with you.

The cigarettes are always good—if they let you order them: You order MECCA!

Ain't It The Truth?

The wonderful MECCA Turkish Blend of the world's choicest tobaccos has never been surpassed for mildness, sweetness and mellowness.

The wonderful MECCA Quality has never been equalled at the price—or near it.

MECCA will suit you better than most 10c cigarettes—and the quickest way to prove this is to smoke MECCA.

JANE ADDAMS SUFFERS FROM SERIOUS ILLNESS.

Miss Jane Addams, the famous sociologist of Chicago and prominent member of the Ford peace party, is seriously ill. She suffers from tuberculosis of the kidneys, with diabetic complications. Professor Emily G. Balch of Wellesley College, who was Miss Addams' alternate as a member of Henry Ford's permanent neutral peace conference, said: "Miss Addams' health is in a precarious condition, but it is much better than it has been. It is hoped that a few more months of rest and treatment will enable her to make the journey to Stockholm for the coming conference on international peace."

THREE BASEBALL TEAMS ORGANIZE IN CONNELLSVILLE

This City and Surrounding Coko Towns Will All be Represented.

DATES NOT ANNOUNCED YET

Schedules Are Not Entirely Completed But All Three Teams Will Play First Opponents: No Decline In Support of Sport Here Apparent.

Although there has not been much evidence of baseball in Connelville this year, this city will be pretty well represented with teams, from teams to be organized. The Coker team this year will include the Connelville Independents, the Baltimore & Ohio baseball team, that was only organized yesterday, and the high school team. This team will report for practice Monday.

These three organizations, with those to be formed later, will keep up the national game in the coke region. Games will be played on Fayette Field, on the South Connelville diamond and on the West Side grounds. Just when the first home game of the season will be played has not been announced.

These three teams have taken the best baseball material in the vicinity of Connelville, and it is impossible to secure players from the coke works as Leaning, Trotter and Davidson will all be represented in the Frick league. These teams are mostly supported by the coke town where the nine is organized, but the surrounding community always takes an interest when the end of the season is reached and a real race for the Lynch cup develops. The coke teams around Connelville are the "big league" here.

On the schedule of the Baltimore & Ohio team are fast aggregations from Cumberland and Baltimore. No definite schedule has yet been arranged but it is certain that the best of the railroad teams will play here. Real interest in railroad baseball games took hold last season and Connelville had a topnotch bunch holding down this division. Practically the same lineup will play again.

There is also talk of organizing a team to represent the Dickerson Run Y. M. C. A. but no definite action has yet been taken. The organization of a team there will probably be effected in a week or so.

SMITHFIELD.

SMITHFIELD, April 21.—J. W. Abraham and M. C. Stack have filed their petitions for central committee-men of the Republican party of the borough of Smithfield.

William T. Conan was in the borough Wednesday and qualified to his petition as a candidate of the Republican party for central committee-man in Georges township No. 2.

H. R. Sackett was a business visitor Wednesday evening.

Mrs. W. B. Hicks, Mrs. Mary V. Miller, Mrs. Peter Tague, Mrs. M. R. Smiley were recent Unlontown shoppers.

Scott Gilmore was a Unlontown business visitor Wednesday.

Mrs. O. S. Conn of Fairbance visited her mother, Mrs. Hannah Abraham Wednesday.

Miss Gail Stewart has taken out a non-paid operator's license to operate her father's car.

Mrs. T. R. Lynch of Fairbank called on relatives and friends here on Thursday.

Edward Jones of Fentress, W. Va., visited his parents, Mr. and Mrs. A. C. Jones over Wednesday night.

Mr. and Mrs. B. F. Martin were business visitors at Unlontown Wednesday.

Mrs. John Younkin spent Wednesday in Unlontown.

Miss Ruth Ewing was a Unlontown shopper Wednesday.

Mrs. F. R. Lynch of Fairbank was called here Thursday on account of the serious illness of her brother, J. N. O'Neill and his wife.

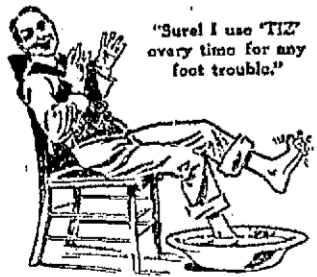

Basil Uphold of Eastern Ridge was a borough business visitor Thursday.

Dr. R. H. Fairbance made a professional call here Wednesday.

Read The Daily Courier.

"TIZ"—A JOY TO SORE, TIRED FEET

Use "Tiz" for Aching, Burning, Puffed-Up Feet and Corns or Calluses.

Good-bye sore feet, burning feet, swollen feet, tender feet, tired feet. Good-bye corns, calluses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "Tiz" is magical, acts right off. "Tiz" draws out all the poisonous exudations which put up the feet. Use "Tiz" and wear smaller shoes. Use "Tiz" and forget your foot misery. Ah! how comfortable your feet feel.

Get a 25-cent box of "Tiz" now at any drugstore or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.—Adv.

METS IN SECOND PLACE

Cup Five Games From the Windsor and Slide Ahead of Keystones.

The Windsores lost five straight games to the Metropolitans on the O. & W. alleys Wednesday evening. The Mets went into second place by winning all the games, and the Giants will have to step some to keep ahead. The Windsores only rolled out of the 290 column but twice out of the five games. Houser of the Mets was high man with 612. The score:

TWO DIE IN CRASH.

Auto, Upsets Throwing Three Out; Third Escapes.

By Associated Press.
EASTON, Pa., April 20.—Stanley E. Gonsuier, 25, a taxi service proprietor of this city, and Frank Schmidt, 26, architect, of Phillipsburg, N. J., were killed and Thomas T. Miller, 22, of this city, was injured last night when the automobile in which they were riding struck a rut and upset.

The accident occurred at Broadway, N. J., 10 miles from here.

The Fault Finder.

An irritable, fault finding disposition is nearly always caused by indigestion. A man with good digestion and bowels that act regularly is usually good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also regulate the bowels. Obtainable everywhere.—Adv.

German Coke Production.

The production of coke has considerably increased in Germany and industrial consumers as well as private users, landlords, and others, are thus furthering the increased production of tar, benzol, talcol, ammonia, etc., the by-product of coke.

PERFECT HEALTH IS EVERY WOMAN'S BIRTHRIGHT.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

Reading, Pa.—"I was badly run down some years ago, I was in a fixed-out, worn-out condition. After taking two bottles of Dr. Pierce's Favorite Prescription I felt stronger. I kept it up until I had taken six bottles. It is a very good medicine and I was pleased and satisfied with it."—Mrs. D. H. LORRA, 322 Franklin Street, Reading, Pa.

Mother, if your daughters are weak, lack ambition, are troubled with headaches, lassitude and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

Sick women are invited to consult Dr. Pierce, or letter, free. Address Invaluable Hotel, Buffalo, N. Y.

The modern improvement in pills—Dr. Pierce's Pleasant Pellets. They help Nature, instead of fighting with her. Sick and nervous headaches, biliousness, constipation, and all derangements of the liver, stomach and bowels are prevented, relieved, cured.

Contest News for Courier Readers

EIGHT MORE WORKING DAYS LEFT IN WHICH TO SECURE LARGEST NUMBER OF VOTES

Use Every Minute to the Best Possible Advantage, as This Offer Will Not be Repeated or Extended; Make Every Day Bring Desirable Results.

There are just eight more working days after today, left in the Club of Thirty Offer of The Courier's Great Prize Contest. That is long enough time to make sure winning of the Saxon "Six" which needs the magnificent list of prizes that will go to the most popular and energetic candidates in the race.

Eight days is a very short time—unless you use it. It is long enough time to accomplish most any ordinary purpose—if you use it. It is long enough time for a contestant of good standing, with energy and push, to get such a number of votes that the rest of the contest will be a procession instead of a race.

To do this will take work, real, persistent effort, intelligently applied. Copying a thing and talking about it are two different things. Bluffs and real votes are also very far apart. Only the real votes count in this contest, and there are only two ways in which to secure them: By clipping coupons and by getting subscriptions. This latter being the most effective. Get the subscriptions now while the premium on them is large.

This is the kind of weather that makes the grass grow, but there should be none of it these next eight days under the feet of contestants who expect to share in the distribution of The Courier's great prizes when the final roll is called May 20. TIME TO GET VOTES.

"If I had just realized the importance of the Club of Thirty Offer I could have won the Grand Prize." Such has been the complaint of many a contestant who had to content himself with a district prize in former contests.

It is easy to see after it is all over with, but the prizes are for those who see it in advance.

It's just like the case of those brilliant orators we didn't make. We think about them afterwards but meantime the other fellow had had the best argument and gone away with the verbal glory. We didn't think quick enough.

600,000 EXTRA VOTES.—The reason for the tremendous importance of the Club of Thirty Offer, which closes May 1, is the fact that every \$20 in new subscriptions counts for 600,000 extra votes, and every \$30

Now is the time to make your big effort that will have most to do with answering question below on May 20.

Prizes:	Name of Winners	Total Vote
First Grand Prize	?	?

"The Store With the New Styles First"

IT'S NOW OR NEVER, MEN, IF YOU WANT NEW CLOTHES FOR EASTER

Society Brand Clothes

Men's Easter Suits \$10 to \$30

A MAN WANTS A MAN'S CLOTHES—BUT HE WANTS THEM STYLISH. If you're young, you want a young man's styles. If you're older, the chances are you'll want something more conservative. Society Brand, Michaels-Stern and Hirsch-Wickwire clothes include models for every age of man from every walk of life. The good style needed for Easter—and the service necessary for many months of good hard wear. The snappy patterns men like, the most reliable colors and cloths, the most skillful tailoring and finish. No doubt at all about a proper fit.

Special Values \$15

MARK OUR WORDS, MEN! These Suits are going to establish a new standard for \$15 clothes in Conneltsville. You'll agree with us, too, when you've seen these neat patterns and have examined carefully the fabrics and tailoring. If you're a \$15 man, the sooner you get acquainted with these clothes the sooner you'll know real clothes satisfaction. Scores of men are buying them for Easter—and these good garments will still be on the job giving daily service for many months to come.

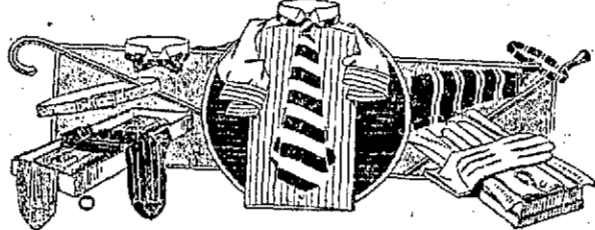

Time's mighty short, Sir, and if you want it for Easter, come today.

Your Topcoat \$15 to \$25

We say YOUR Topcoat for one of them certainly will be yours after you have tried a few on. Men who once said they didn't need one, now say they are of more general use the whole year through than any other garment in their wardrobe.

Light or dark shades—just as you prefer—properly styled for men and young men. Some can be used for Raincoats also, as they are splendidly cravenetted.

Buy it today and you'll be just in time for Easter.

Easter When Style Counts Most in Men's Furnishings

Wright-Metzler Furnishings are always foremost in style, for that is the only kind that will satisfy our patrons. Special Easter displays are ready.

Spring Shirts in smart new colorings and patterns, varying from the every day shirt at \$1.00 to the finest of silk at \$5.00.

Spring Ties, Bowties and Four-in-Hands, in all good plain shades, creases, stripes and patterns at 50c and \$1.00.

Spring Hosiery, black, tan, grey, blue, white, clocked and stripe effects range from 15c to \$1.00 pair.

Collars, soft and starched, several new styles just in, 2 for 25c, and 25c each.

Hats, Underwear, Scarf Pins, Cuff Links, Suspenders, Gloves and everything men need.

Suits for the Boys \$3.50 to \$12.50

Our Boys' Suits are selected with just as much care and discrimination as are the clothes for our men's department. To give the most possible for the money is our constant aim. Special Easter assortment ready.

Norfolk Suits, sizes 6 to 18 years, range in price \$5.00 to \$12.00.

W-M. Special Suit, some with 2 pairs pants, extra values at \$5.00.

150 Blue Serge Suits, suitable for confirmation, sizes 5 to 18 years, \$5.

Little Boys' Spring Novelty Suits, assorted colors, sizes 2 to 8 years, are priced \$3.50, \$4.00 and \$5.00.

Men's Hats \$2 to \$5

Almost no limit to the number of newest shapes and color tones which we have ready for your last minute selection. Some have wide brims and high crowns, others are more conservative. Every style here a good one.

The "BORSALINO" Hat, imported from Italy, is very light in weight, comes in all colors and sells for \$4.00.

Other splendid values in Soft Hats and Stiff Hats at \$2, \$3, \$3.50, \$4 and \$5.

Good showings of Men's and Boys' Caps at 50c to \$1.50.

Children's Hats and Caps for Easter.

Shoes and Oxfords

Some men will make Easter the occasion for wearing low shoes for the first time. Others will want a properly styled dress shoe.

We are prepared to supply your every need with footwear that is absolutely style-correct and the best to be had for the price.

Oxfords in tan, patent or dull kid. Snappy English styles for young fellows, and more conservative models for older men. All are excellent in value at \$4, \$4.50, \$5, \$5.50.

Society Brand Clothes

Important Items of Dress Women Will Need at the Very Last Minute

All Ready to Help Little Girls Look Their Very Prettiest for Easter

Charming little Coats cut along style lines just designed especially for the little Misses. Quite a variety of suitable materials in the most attractive colorings. Very daintily trimmed. Prices all quite modest. A specially good showing of Girlish Models in Hats. Just sufficient style touches to make them all the more suitable for little people. Of course, none are elaborately trimmed and all are quite inexpensive.

Shoes in patent or dull leather with all the style young folks need and yet designed to give plenty of comfort to young and growing feet. Correct for Easter and other dress occasions and yet capable of giving the very best of service. Quite a range of prices to select from.

Hair Bow Ribbons in suitable widths and all appropriate colors. Many will be needed for Easter.

Easter Millinery

In a charming display that leaves absolutely nothing to be desired in either style, quality, variety or price. Tans, Hens, and Teardrop Hats are especially noteworthy just now and are shown in large and small shades with the season's smartest trimmings. This entire display merits your attention.

Beautiful Shades in Lovely Waists for Easter and After

Plain and embroidered Organdies and Voiles, and others plain with colored embroidered collars. High and low neck, long sleeves. \$1.00, \$1.25, \$1.50 are the prices.

Lace trimmed Voiles, Crepes de Chine in white and flesh, and white and colored linens compose another group at \$2.50.

Lace trimmed Voiles, Crepes de Chine and Combinations of Georgette Crepe and Crepe de Chine in white, maize, rose and peach, together with linens in white, rose, pink and blue sell for \$3.50 and \$8.75.

Still another group composed of plain Crepes de Chine in white, flesh, maize and coral; candy stripe Crepes de Chine, and Georgette Crepes in the favored shades is priced at \$4.50 and \$5.00.

Extra fine quality Georgette Crepes, white and flesh, emboy, and ribbon trimmed, are very popular at \$5.00 and \$5.75.

Never Have Women Been so Particular About Their Easter Footwear

Never before was it necessary for women to exercise so much care in the selection of Easter Footwear, for never before were Shoes such an important part of correct dress.

Some women will choose to wear Pumps next Sunday; some will prefer one of the new and novel shades in 7 1/2 inch Boots; still others will need something in a good genteel black Shoe. We are prepared to meet every requirement.

Among the new Pumps are included very new and very fashionable plain and strap effects in black, white and bronze at \$3.00, \$3.50, \$4.00 and \$5.00.

Among the Boots are various plain shades of Kid, and several color combinations. The better quality of these Shoes is plainly evident in every seam and stitch. The prices are \$5.00 and more.

Fine Showing of Children's Shoes Moderately Priced

Many Women are Buying Handsome New Coats for Easter

For Misses and Women, we are showing some very snappy models out in three-quarter lengths, and in such good materials as Coverts, Poplins, Gabardines, Checks, Mixtures, Silks and beautiful white Chinchillas.

Black, navy, and grey are three very popular shades, and these are an important feature.

The white Chinchilla surprise every one by their low prices of \$10 and \$12 for garments of excellent quality.

The entire assortment is moderately priced and includes fine values at every price from \$6.50 to \$29.75.

Easter Suits at \$15 to \$50

Including belted models, styles with flare skirts and jackets, braid bound Suits, others rather fancily trimmed, and simple tailored effects.

Plain and fancy taffetas, silk and serge combinations, gabardines, poplins, serges, velours and checks.

Navy, Green, Hague Blue, Copen, Tan, Grey, Joffe Blue and Black.

\$15.00, \$19.75, \$25.00, \$29.75, \$35.00, to \$50.00.

At the Theatres

SOISSON THEATRE.

"LOVE'S CROSSROADS"—The plot of "Love's Cross-Roads," the first release of the Equitable program, which is coming to the Soisson Theatre today, is worked out in a way which will prove a big surprise to those who have become satiated with the regular ending of a photoplay. Miss Marie Empress, the star of the piece, is a newcomer on the Equitable program, and has made such a success of this, her first play, that she is likely to be a permanent feature in the list of Equitable stars. The story deals with the underground side of New York life, and the star has developed, with the aid of her wonderful personality, a new phase of photoplay dramatics which will prove a welcome addition to the phases of human nature heretofore depicted on the screen. The three reel L-Ko comedy, "For the Love of Mike and Rosie," is a rip-roaring farce, with two prize-fighters as the central figures. One is a Jew and the

other an Irishman, and the way they knock each other about is a caution to the ringside. The Animated Weekly has scenes from the Mexican War, Autos Chase Zeppelin and a "Tripple Train Crash." Tomorrow the World Film Corporation presents Mollie King in the five reel spectacular drama, "A Woman's Power." A drama of thrills, swift moving, passion, hate and revenge and the triumph of love.

"THE SPIDER"—In which Pauline Frederick, the great Famous Players star, is seen in two roles, is featured today at the Globe. "The Spider" is one of the most thrilling dramatic stories that has ever been produced by the Famous Players Film Company. This splendid attraction gives Miss Frederick an unlimited oppor-

tunity, as she plays two diversely opposite roles. Valerie St. Cyr, a notorious beauty, and her devoted daughter Joan. When she was a very young girl and very beautiful, Valerie St. Cyr deserted her husband and little daughter to share the fortunes of Count du Poissy, a far famed rogue. They live as happily as circumstances will permit until Valerie conceives the idea of having her portrait painted by Julian St. Suen, a young artist of exceptionally strong moral sensibilities. Entirely unknown to Valerie, Julian has fallen in love with her daughter Joan, who is employed at a flower shop. By appearing before Julian in rags and concealing her identity, Valerie inveigles him into using her as a model for his painting and falls desperately in love with him. The count in the meantime has flirted with Joan, abducts her, and takes her to one of his old mansions. Joan stabs the count as he is about to embrace her. Valerie learning that Joan has killed the count, declares herself guilty and saves her daughter. Convinced by her own statement, goes to her death with an expression of almost heavenly contentment upon her face, happy in the belief that she has made atonement

for her early desertion of her hapless infant.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing, laxative. No grating is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—stomach trouble—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. Use and you'll be convinced. All druggists. The Olive Tablet Company, Columbus, O.

HOW WOULD YOU LIKE A BATH CAP JUST LIKE THIS ONE?

With a black satin bathing suit out Russian blouse and girdled with a red patent leather belt goes this picturesque cap of best quality red rubber, shirred over the ears. It is finished with a rubber rosette and dangling tassels.
